FAMILY HOME - WENT TO AUCTION

The possibilities for this 3 bedroom, 2 bathroom home are endless. With a little bit of TLC here and there, you could turn this cozy old home into something modern and stunning. It already has the bones in place and the outside needs nothing more than a touch-up with some paint.

Great outdoor entertaining space in the form of a large verandah with beautiful floor-to-ceiling windows all around to let plenty of natural light into the home. Large open fireplace and bar area to make a perfect rumpus/ games room and 2 car garage space under the house.

It wouldn't take a whole lot of effort to open the kitchen up to the dining and lounge room and really bring that whole space together for the whole family to enjoy.

With 4,408m² of land and lovely gardens already started it is only a matter of time before this home becomes your paradise.
